

$$\begin{array}{c}
 + \quad T^4 + \quad t_8 F^4 + \\
 \text{---} \quad \text{---} \\
 \text{---} \quad \text{---}
 \end{array}$$

The diagram illustrates a quantum field theory process involving two vertices and a loop. The left vertex is a dark gray circle with four wavy lines extending from it. The right vertex is a light gray circle with four wavy lines extending from it. A wavy line connects the two vertices, forming a loop. The diagram is surrounded by plus and minus signs, indicating its contribution to a larger expression.
